# Administration

Mr. Fekete, Mr. Howe, Mr. Beretta.

I would like first of all to congratulate Sylvia for the work she and her assistants have done on this very fine yearbook and also on last years book. The quality of the yearbook is a reflection of the school and, as with anything we do, ours is excellent.

I would also like to congratulate Bill McKeough and Marg McNabb and all of the student council executive on the way they have conducted the business of the student council this year. The success of any organization depends in large measures, on the people involved. This has been a very successful year at Catholic Central and the co-operation and assistance that we have had from your student council has been a major ingredient in that success.

To the graduating class, my congratulations and best wishes for the future. The purpose of a school like ours is to provide Catholic students with the best educational program possible within a Christian atmosphere. Your education has not been merely an accumulation of facts and figures. A Christian philosophy, a Catholic perspective is yours to carry with you. May God bless, you, wherever you go, with a full and rewarding life.

*John P Howe*

# President's Message

Memories . . . those intangible images of the mind that can be so fleeting and yet so lasting, seem to come alive especially when they are gathered together and treasured in a yearbook. I hope the year 1974-1975 was a year well spent and that the yearbook represents for you a treasure trove of fond memories; of spirit trophies and exciting games, of helping others and being helped. But most especially is cherished the memory of being an active member of a community unlike any other. More than just a school, Catholic Central is an emotional experience that is initiated by a phenomena that you had a part in creating-----Spirit.

On behalf of Margie, Pattie, Laurie, Lori, Brian, and Dave, thank-you for being "One in the spirit. "

*William P. McLaughlin*

Olga Sochan  
Karin Lussing  
Joanne Mockler

Before you look further through this yearbook close your eyes. Now think of the events that have occurred throughout the school year. Think of Service Day, of the dances, of the games, or operation snow, of the roller skating, of the spirit. Remember the excitement; remember the fun?

Now open your eyes, and you will see a record of these events. Presented with a mythological theme, this yearbook is a memorandum of the school year '74-'75. It is a treasury of memories that will always have meaning for anyone who has ever been a Crusader.

## Layouts:

# Dedication

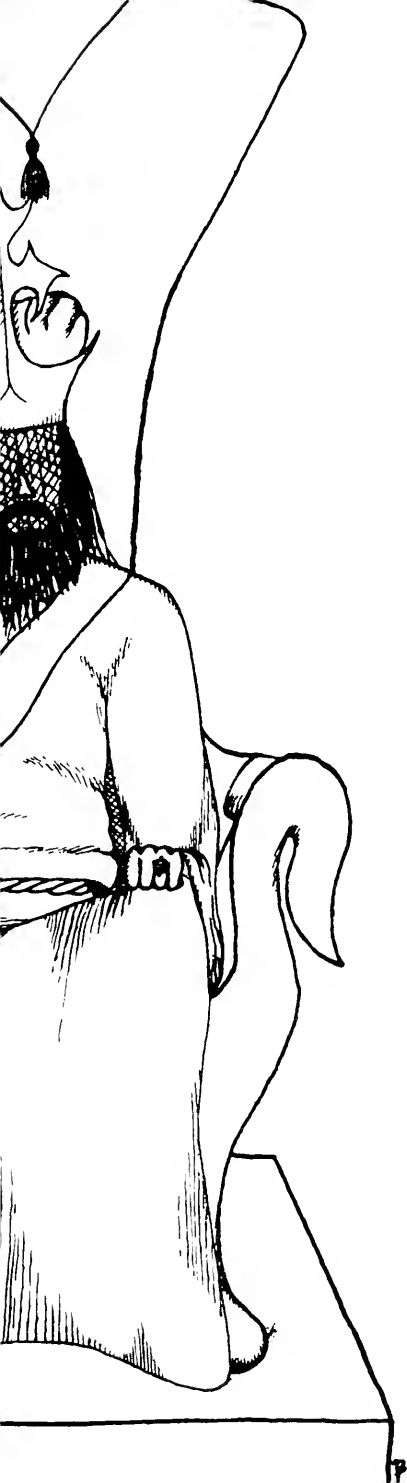

This Book is dedicated to someone who greatly deserves recognition for his work throughout the past three years. It goes without saying that we, the students of Catholic Central are greatly indebted to this man for all he has contributed to the growth and development of each and everyone of us.

Thanks a million, Mr. Howe.

# O.C.S.F. Report

## Fellow Students:

Each year as we come to the close of our academic year we tend to reflect upon our past events. This year, as always can be valued as a fruitful year especially within the realm of the O.C.S.F.

The Ontario Catholic Students Federation works for your benefit in order to try to maintain our catholic education system as well as maintaining an open communications between our catholic high schools. Like you, we believe in our educational system and we should always stand up for its principal. Believe in Catholic Central; believe in its truth and its spirit; but above all believe in Catholic Education.

Yours Truly,

*Pattie Barnes*

# The Consecration of Bishop Sutton

At St. Peter's Basilica London, on July 18, 1974 Catholic Central students and staff were honoured to witness one of the family become a Bishop. On that day Father Peter Sutton became Bishop of Labrador Schefferville.

During his ten years as Chaplain at C.C.H., from 1962-1972, he was deeply involved with many student activities. As well as being a teacher and a counsellor, he participated in many COR weekends, coached many teams advised the yearbook staff, founded Project Moosonee - Camp Oskimko just to name a few of his activities. No one had more energy to devote to the students that he did.

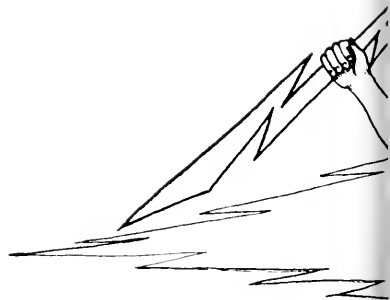

During the school year 1972-73, he was on sabbatical leave and spent time at the Jean Vanier home in L'Arche and studied at L'institute Catholique in Paris.

We certainly will miss him at C.C.H. but our prayers go with him for his new mission in the Church.

Photo credits: THE LONDON FREE PRESS.

# LITERARY

I suppose  
- in a way  
that I should  
thank you  
for being such a bitch  
because the world  
has to be filled with  
a proportion  
of different kinds of people  
and you've saved  
the expense (and waste)  
of another nicer persons personality  
from filling that quota.

Barbara Brockmann

#### CRUSADER PRAYER

Now I lay me down to sleep,  
Homework piled three feet deep.  
If I should die before I wake,  
I have some last requests to make.  
Set my French books by the door;  
Souer Maria is great, but French is a bore.  
Lay my Science in my hand;  
Tell Mr. Meyer I didn't understand.  
Put my Math books by my side;  
Tell Mrs. Bayliss I'm glad I died.  
Burn my gunsuit 'till it's gone;  
Tell Fred and Miss Culver I can't go on.  
Set my History on the window sill;  
Tell Mr. Ruyters I love him still.  
Ask Father Thompson to say a few Masses,  
And warn Mr. Fekete I'm not skipping classes,  
But before you bury me, dress me warm,  
And sign me out of uniform.

Louise Lawler  
and  
Debbie Paquette

Dear students;

Please be more than names I'll remember  
Be people who's memories I'll value a long time.  
Happy faces  
Outstanding friends.  
Please let me remember you with gentle faces  
Welcoming me into conversations  
Sharing the worries of studies together  
Good school memories are after all essentially  
Of people,  
Not of textbooks.

Maria Konopeskas

Tree

Proud; solitary, isolated,  
It stretches out arms,  
clawing at the sky,  
trying to reach someone . . .  
something . . .  
to ease the loneliness.

Kelly Hurst

Here I Sit,  
this bloody assignment  
invariably strewn before me,  
I wrack my brain to  
think of clever ways to rephrase  
this book  
when all at once  
I yield to this gnawing picture  
that keeps flashing  
in my brain.  
When I slow it down  
I realize it is a picture of you.  
You have your joyful smile,  
your twinkling eyes that  
seem to love to annoy me.  
Your unruly hair,  
perhaps revealing a disjointed  
character?  
Your whole body is enveloped  
in a shield of muscly,  
jocky athletic type armour.  
even though I realize  
I will never mean as much  
to you,  
As you do to me.  
I'm glad that I can  
treasure forever,  
the memory of your smile.

C. L.

# SPORTS

# G.A.A.

Maria Puklicz, Karen Lenehan

This year, 1974-1975 has been in typical Crusader tradition, a success, but as always there is room for improvement to strive to be even better. Our competitive teams all put forth their best efforts for a commendable showing. Another aspect of competition was shown through intramural sports. These all proved interesting and most important, highly enjoyable for the participants. To be successful in sports or any undertaking, you must work hard but you must enjoy what you do. Winning is nice but not at any cost, and not if you didn't enjoy building up to it. A team doesn't just work on the field, or the court, or wherever they play, they must work together all time. At the end of my five year's here at C. C. H., I have learned, sometimes the hard way how true this all is. I hope that in future years the good sportmanship of all our teams will remain at the top of all secondary high school because "we've got the best teams and school spirit in the world, so come on big blue LET'S GO!"

*Maria Puklicz*

# B.A.A.

John Brennan, Mike Fraumeni

Another year has come and gone and as for Catholic Central it was another successful year athletically.

All our teams did very well. In football, the seniors showed the Crusader spirit although suffering the most injury prone year in our history. Our Juniors went 6-0 in the season only to be beaten out by Clarke Road 7-6 in the city finals.

In basketball all three teams went to the playoffs but unfortunately we were denied the privilege of being city champions.

The hockey team despite losing its first 7 games, came on strong in the late stages of the season to end up 5-10-1.

As for Intramural sports we held, basketball, floor hockey showdown, and borden ball. Our annual golf tournament was a success as was the first annual Catholic Central Invitational Basketball Tournament.

At this time I would like to thank all those who made this year so successful, the team members and Intra Mural Participants, also I would like to thank the staff for all their cooperation.

*John Brennan*

# Sr. Cheerleaders

BACK ROW: Sheila Semchism, Debbie Connor, Kim Brower, Lydia Brown, Nancy Dutton, Cathy Furanna, Miss Nagle, Coach; Karen Lenehan, Barb Brockmann, Mary Ann Mitchell. FRONT ROW: Kim Ange, Gina Biscaro, Val Drury.

1st ROW: Dave Moore, Andy Trovato, Mike MacDonald, Roger Palmini, Enzo Palcich, Pete Russo, Rob Killeen. 2nd ROW: James Davies, Mike Pearson, Ed Venerus, Bruno De Pace, Louie Barbon. 3rd ROW: Mark Rzepeski, Tom Burnett, Jack Sousa.

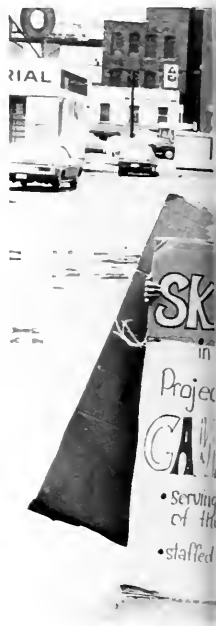

# SOCIAL

# Moosonee

Project Moosonee is a summer camp program and 1974 marked its fourth year of operation at Camp Oskiniko, 35 miles south of Moosonee. It is staffed by students and teachers from southwestern Ontario who spend seven weeks of their summer literally "in the bush" working and learning with Indian children between the ages of seven and fifteen. Camp Oskiniko is the meeting place of two of Canada's cultures who live with one another for a summer promoting better understanding and unity.

This year the founding father's of the camp were not with us (except in spirit). Father Sutton, chaplain at C. C. H. 1963-1973, was busy preparing for his consecration, and is now Bishop of Labrador-Schefferville. Father Baril, of Moosonee was on vacation celebrating his twenty-fifth anniversary as a priest.

The program is totally voluntary, operating out of C. C. H. and last year included students and teachers: Tim Twomey, Andrew Feron, Marg Gilmour, Delphine Walker, Sister Joan and Miss Paula Marcotte along with students from St. Thomas and Windsor areas. The involvement of many other students in fundraising and planning helps make the camp possible, one of these fundraising projects was a Skip-a-thon which we had at Wellington Square Mall.

Camp Oskiniko (Cree for Youth) consists of tenting and large recreational areas, a craft cabin, cookhouse, teepee chapel and four retired boxcars which have been converted into dormitories and generator car.

nee '74

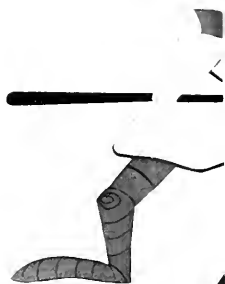

The camp program is geared towards using the natural environment and its resources. Hence activities such as swimming, hiking, nature study and fishing are all parts of a regular day. Since many of the children are talented in art, the crafts program is made up of woodwork, painting, weaving and ceramics. Because clay is available from the river banks the children follow the process from digging it up, to firing a finished work of art.

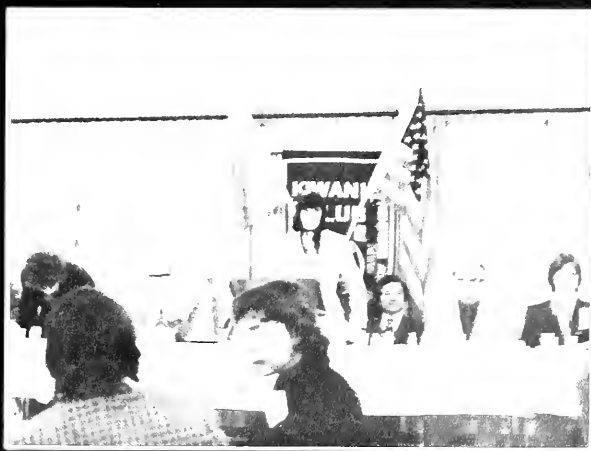

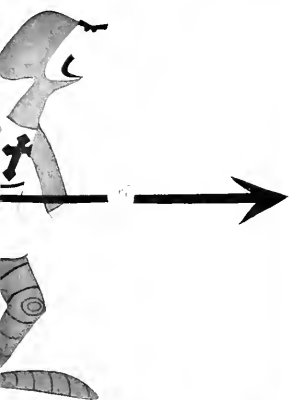

A strong community spirit, fostered by shared liturgies in our teepee chapel makes working together under difficult conditions possible and even enjoyable.

We operated three, twelve day camps, with a special day highlighting each camp, such as Christmas which we celebrated on July 25th, Carnival Day in August, and on Election Day in Canada we conducted our own elections with the liberals winning with a landslide.

The summer saw the development of many good friendships and I'm sure that for all of us it was an experience we'll never forget. For us, the members of M-74 the most rewarding memory of Oskiniko are the smiles and laughter of the children who shared that summer of '74, with us.

Andrew Feron M-74

# Service

Service Day is the most important day of the entire C. C. H. calendar. It is a day of Christian Action, real action and not just words. Action more meaningful than beautiful saying. The Students of C. C. H. actually worked at giving themselves and giving of their time.

On Wednesday, November 6, 1974 the day came and went and memories of love and personal realization and needy people. We live in comfortable homes, in happy environments so when we go out into the community and share some time in sadder environments we really learn. A lot of the agony is unreal to us and it does as good for one day.

We realize every man is our superior in that we can learn from him or the wisdom of "No man is an island, no man stands alone". But many are alone and that is where Service Day helped. We saw with our own eyes that the hardships of people and witness their loneliness. We tend to forget.

Maria Konepaskas

# Day

For the third consecutive year C. C. H. went out into the community to perform services that otherwise would never have gotten done for various reasons. We had students doing jobs ranging from talking to an old person to painting wagons for nursery school kids.

Other schools have tried in the past to accomplish what we did, but failed because they just haven't got the students that care enough to go and help someone who needs it.

There are three main reasons for the success of Service Day: the students, the many people who spent many hours of their time to organize it, and most of all what many people have said before - Service Day is not just a one day thing - many students continue to go back to their jobs just because they enjoy helping others.

Service Day will probably continue to be an annual thing at C. C. H. and I doubt that any other school will ever do it, because Service Day is one of the many qualities known to C. C. H. and C. C. H. alone.

# KING'S COLLEGE

AFFILIATED WITH THE UNIVERSITY OF  
WESTERN ONTARIO

What makes religious life make sense? . . . Well . . . for one thing, community

Warmest congratulations from King's College to the 1975 graduates of Catholic Central. You have our best wishes for your future careers. Many past graduates have come on to the College to participate in its educational programmes and share in our community. May these links between Catholic Central and ourselves long continue.

A.F. McKee  
Principal

# CARING ABOUT PEOPLE

People need people. It's as simple and basic as life itself. That's why societies — even the most primitive — are formed. That's why societies — even the most complex — will survive.

We in Key Club know this. We know that if we help improve one segment of our social environment, the whole will ultimately become better. That's why you'll find us participating in buddy programs for disadvantaged youths; organizing neighborhood clean - up campaigns; operating information clinics on venereal diseases; and helping co-ordinate bike - a - thons, blood drives and other "people-oriented" things.

You'll also find us having a

good time doing it. Because caring is our way of life — in fact, it's the only way to live. And now, at the time of our golden anniversary, we express to you our appreciation for allowing us to become involved and thank you for your support. Because people need people.

This Year which was my first as Key Club president, I found myself with a very interesting and challenging job. But since this was actually Catholic Central's first Active key club in a few years I found many problems. Because of this I would like to wish next years Key Club the very best.

MIKE RUBINI  
Key Club President
